

5.4.2. Alumni have an active role in the regular institutional functioning. An alumnus is a very important component of the college. Alumni's meeting is held every year. The role of Alumni in every aspect of college is huge. Alumni organization has special opportunities to influence the experience of prospective and current college students. Alumni programmes always should reinforce the institution's educational values that have endured over time, values that alumni help pass on to students from one generation to the next. The alumni of this college organize its meet every year and future plans are discussed. Various activities were conducted by the alumni with student council are career guidance, counseling classes, conducting educational seminar, participation in community living camp, TET coaching etc... General body of Alumni association is called on every in the month of April. The programmes are held in the presence of Principal, Management and old staff.
